**Rishikant Jaiswal,**

Congratulations! It gives me immense pleasure to invite you to join Adivid Technologies as a **Web Developer Intern.**

Adivid Technologies is committed to enhancing lives through the use of Digital Technology & Innovation. Our Approach & Methodology incorporates the latest research-based applications, Platform Development, Data Mining, Data Visualization, Development of portals, dashboards & mobile applications, Automating Processes, and the utilization of Artificial Intelligence. We serve a diverse range of entities including persons, firms, companies, trusts, associations, institutions, societies, corporates, government departments, public or local authorities, and more.

During your tenure, you will be responsible for the following:

- ✓ Modifying and maintaining existing platforms, web portals, and dashboards developed and deployed by Adivid Technologies.
- ✓ Developing and testing new products, including necessary modifications.
- ✓ Creating new software tools and overseeing their deployment.
- ✓ Conducting training sessions in the field, if required.

Your joining date will be on 1st July 2023, and you will receive a stipend of Rs.5000/- per month for the first three months with the potential for an increment up to Rs.15,000/- per month based on your performance, leading to a potential job offer.

We believe that our environment is conducive to enhancing your skills and fostering personal and professional growth. We wish you the best and encourage you to make the most of this opportunity.

Regards

**Adivid Technologies Pvt 'td**
